

# Elite™ Smokers Cease- Fire®

*Collect  
unsightly  
cigarette litter  
and reduce the  
risk of fire!*

Keep cigarette litter safely hidden from public view and enhance your property's image with the sleek, contemporary styling of Elite™ Smokers Cease-Fire®. Fire tested and approved by FM Global, this no-rust polyethylene receptacle features an oxygen-restricting, self extinguishing design to safely collect burning butts.

patent pending

## Looks Great Anywhere

Perfect for entrances, designated smoking areas, public grounds, any place smokers gather

*Classic,  
contemporary  
upscale styling  
enhances or complements  
any commercial setting*

## Stainless Steel “Smart” Snuffer

- Large target area for quick discards, fewer “misses”
- Minimizes finger contact, lessens potential for germs

- Limited entry drop zone discourages unwanted trash
- Domed top eliminates rain overflow
- Molded-in graphic identifies cigarette disposal

### Maintenance made quick and easy!

- Self-aligning, easy gliding tabs for mistake-free opening and closure. No tools or hardware to lose!
- Simply lift top half of unit off base to remove steel pail inside. Pail securely “self-seats” back into specially designed base.
- Large capacity - holds thousands of butts.
- Internal double-drip lip helps keep ugly tar inside - outside housing maintains neat appearance.
- For greater stability, base accepts one brick and sand for up to an additional 17 lbs (8 kgs) of weight for windy conditions.

#### Packaging Specifications:

Carton Length	18.19" (462mm)
Carton Width	18.19" (462mm)
Carton Height	19" (483mm)
Carton Cube	3.6 cu ft (0.102 cu m)
Pack Quantity	1
Ship weight:	10 lb. (4.5kgs.)

#### Cartons per:

Pallet (42" x 42")	20
40 ft Container	440 palletized
	650 floor loaded
48 ft Truckload	560 palletized
